

Supply List for Creating a Series in Alcohol Ink *with Sandy Sandy*

1. 4-6 Pieces of 5 x 7" Yupo paper, double taped to noncorrugated cardboard. (You can use other types of synthetic paper, but you will not get the variation of color or the staining effect that Yupo paper provides.)
2. Canned air (or an airbrush, brush or hair dryer, hand held bulb blower)
3. Alcohol Blending Solution (*optional - can use 91% or 99% iso. alcohol)
4. Needle nose bottle with blending solution
5. Needle nose bottle with 91% or 99% isopropyl alcohol
6. Pitch Black by Ranger Ink (If using a different paper, you will need to experiment, adjust, and possibly use 2 colors)
7. Coffee stirrers or small straws
8. Round synthetic brush #2 - 4, (must come to a good point)
9. Paper towels
10. (not shown - *optional) *8 x 10" Working Mat with a 4.5 x 6.5" opening, *tape, *graphite pencil, *tracing paper, *dental applicator tool, black fine line permanent ink pen (such as Micron or Pilot Twin Marker), cup with iso. alcohol, *disposable gloves, Krylon Kamar Varnish & UV Resistant Clear, *air purifier that is rated for VOCs
